

Truck Driving

TRUK 112 Tractor Trailer Driver Refresher (0.5 credit, 0.5 lecture, 0 lab)

Review of techniques used to operate a semi-tractor trailer. **Pre-Requisite:** Valid Illinois class A CDL driver's license or equivalent license from another state or instruction permit; current DOT physical examination; completion of a drug test; completion of TRUK 150 or equivalent knowledge and experience as determined by the instructor

TRUK 131 Forklift Operation & Safety (0.5 credit, 0.5 lecture, 0 lab)

Intended to prevent accidents, injuries and fatalities that may be caused by the improper and unsafe use of forklifts. Explains the requirements of the OSHA standard, 1910.178 Powered Industrial Trucks.

TRUK 150 Truck Driving (11 credit, 6 lecture, 10 lab)

Instruction is provided in basic and advanced driving techniques of semi-tractor trailers. Students will be prepared for both the written portion of the Illinois CDL exam and the Illinois Class "A" CDL Skills and Road Test. Instructional emphasis will also be given to job attainment and career development skills.

TRUK 199 Truck Driving Externship (4 credit, 0 lecture, 20 lab)

Provides experience with a truck-driving agency that brings the knowledge learned in the classroom to the field. This course may be offered as variable credit and repeatable three times. **Pre-Requisite:** TRUK 150.

TRUK 290 Selected Topics in Transportation (3 credit, 3 lecture, 0 lab)

An in-depth study of topics in the transportation technology field. The exact content will vary from semester to semester depending on the subject studied. This course may be repeated three times if different topics are considered, but cannot exceed a total of six (6) credit hours toward graduation. May be offered as variable credit. **Pre-Requisite:** Instructor consent.
