Darren Dickerson

Dickerson, a native of Wilmington, North Carolina, came to SIC for the 2002-2003 season after transferring from Old Dominion University. He was the point guard for the Falcon team which was ranked second in the country at the end of the regular season. After a first-round loss in the national tournament (to the number one ranked team in the nation), the team went on to finish the tournament in 7th place. Darren was an all-conference and all-region selection at Southeastern.

When asked about his memories of SIC, Darren replied: "The week after the 1st loss of our season was during final exam week. When we returned to school, Coach Franklin defiantly got everyone's attention by making them run and run and run. That was the turning point in our year."

After SIC, Dickerson finished his playing career at Florida Atlantic University. Since then, he was the Assistant Varsity Basketball Coach at Laney High School for 4 years. Darren is currently employed as an insurance salesman with the State Farm Insurance Agency.
