

The Financial Aid Office uses a census date to determine Pell credit hours and payment. The census date will be the following business day of Registration's last day to drop a full semester course with a full refund. In the fall and spring semester, this is day 11 of the semester. During the summer, this is day five of the semester. Once the Financial Aid Office has locked hours and determined payment and aid for eligible students, the Financial Aid Office will disburse aid to the Business Office. Per federal regulations, the institution must disburse excess funds to the students within 15 days of the negative balance.

To ensure compliance, federal and state law and regulations supersede College policy.
