Southeastern Illinois College

Success Starts Here!

Southeastern offers over \$600,000 annually in academic, talent, and athletic scholarships to help students achieve their educational goals. Southeastern also offers many scholarships on behalf of generous donors from the Southeastern district as a way to encourage students in their academic endeavors. This packet includes the application and information regarding each program, performance and foundation scholarship.

To apply for scholarships, applicants must:

1. Print and complete the application.
2. Complete a typed 750-1,000 word essay explaining career goals, leadership experience, community involvement and need for the scholarship.
3. Submit high school or current college transcript.

*Additional information, such as portfolio or other documentation, may be requested for performance scholarships. Please see the contact person listed on the performance scholarship page of the application. Performance scholarship deadline is February 28; however, applications may be accepted until all scholarships are awarded.

Program and Foundation applications must be postmarked no later than **February 28**, with the exception of Nursing and Allied Health and Student Ambassador applications, which must be postmarked no later than **March 31**.

You may mail your application and documents to the address below.

Attention: Financial Aid Office

General Information**Eligibility Requirements**

All scholarship recipients must be continuously enrolled in at least 12 credit hours for both Fall and Spring semesters. To remain eligible for subsequent semesters, students must successfully complete a minimum of 12 hours with a GPA of 2.5 or above and complete a one credit hour volunteer course each semester. This course, SERV 121 Service Learning, consists of providing 32 hours of volunteer work each semester during both fall and spring semesters within the department awarding the scholarship. Failure to meet the minimum requirements determined by each scholarship may result in termination of scholarship. All recipients are required to major in the program area for which the scholarship is awarded. In addition, scholarship recipients are required to participate in extracurricular activities for their respective program area.

Maximum Annual Value and Benefits

The value of each scholarship is sixteen (16) credit hours of in-district tuition only, unless stated otherwise. Funds will be disbursed on a schedule of eight (8) credit hours of in-district tuition only for Fall semester and eight (8) credit hours of in-district tuition only for Spring. Unused scholarship money cannot be transferred to the next semester. Scholarship benefits are limited to tuition. The total amount may not exceed 8 credit hours of in-district tuition per semester.
