

FINANCIAL AID SATISFACTORY ACADEMIC PROGRESS POLICY

Revised 09/29/2015 Approved 02/16/2016

It is expected by the Department of Education (ED), Illinois Student Assistance Commission (ISAC), and Southeastern Illinois College that all financial aid recipients make reasonable academic progress. Students receiving federal, state, and veteran's educational benefits are required to meet the Financial Aid Standards of Academic Progress Policy as described below. All prior terms at Southeastern, transfer credits, consortium agreement credits, or dual credit classes are considered when evaluating your progress towards your certificate or degree program regardless if the student received financial aid. Satisfactory academic progress standards apply to all students, part-time or full-time, enrolled in both standard and remedial programs. Students' progress is evaluated at the end of every semester, which include fall, spring, and summer semesters.

Satisfactory academic progress is based upon three categories:

1. Overall Grade Point Average (GPA)
2. Completion Rate
3. 150% Maximum Program Completion Time

Failure to meet these requirements results in financial aid warning period. A student may continue to receive financial aid while on warning status. Students have one semester to remediate their progress. Continuation for subsequent aid is contingent upon the warning period. Failure to meet the satisfactory academic progress guidelines during the warning period will result in financial aid suspension and disqualification from financial aid eligibility at Southeastern.

OVERALL GRADE POINT AVERAGE

The student's cumulative grade point average (GPA) is determined at the end of each semester. The institution's grading policies can be found in the college catalog. Students are expected to maintain a minimum cumulative GPA of a 2.0. Students who do not maintain a cumulative GPA of a 2.0 or higher will be given a warning period. During the warning period, a student may receive financial aid. At the end of the warning period, the student must raise their cumulative GPA to a minimum of 2.0. Failure to do so will result in suspension status and will not be eligible for financial aid.

COMPLETION RATE

Students must progress toward completion of their current academic program at an acceptable rate. Satisfactory academic progress standards require students to successfully complete (pass), with a GPA of 2.0 or better and 67% of attempted semester hours. Students not successfully completing (passing) 67% of semester hours attempted will be given a warning period. During the warning period, a student may receive financial aid. At the end of the warning period, the student must raise their completion rate to a minimum of 67%. Failure to do so will result in suspension status and will not be eligible for financial aid.

Grades of A, B, C, D, or P are considered completed courses. Grades of E, I, W, or WA are not considered complete and are unsatisfactory for maintaining this policy.

Repeats: Southeastern considers the highest grade received to calculate the cumulative grade point average. Each course is included in the cumulative attempted hours calculation.

Withdrawals: Courses dropped with a full refund or grades of "WX" or "WZ" are not counted in the calculation of attempted hours. Courses dropped after the full refund period and grades of "W" or "WA" are calculated in attempted hours.

Pass/Fail: Courses taken on a Pass/Fail basis do count as attempted semester hours.

Incompletes: Incomplete "I" grades are counted as attempted hours, though not calculated in the cumulative grade point average.

Remediation: Non-credit remedial courses are included in a student's program of study and therefore are included in calculation of OGPA and course completion rate.

Academic Amnesty: Academic amnesty courses are included in calculation of earned grades and attempted hours.

Transfer Credits: Any transfer of credits from another institution will be calculated in both attempted and completed hours.

150% MAXIMUM PROGRAM COMPLETION TIME

Students must complete their current academic program within expected reasonable time. A student may not exceed more than the 1.5 times the number of credit hours required for the degree/program. Changing degree or program major, repeat courses, failing or incomplete grades prolong the total amount of time required to graduate. Students who exceed the maximum program completion time will not qualify for further financial aid. Students may change their major or program of study up to three times during their career and may receive more than one certificate and/or degree at Southeastern within consideration of the student's cumulative hours attempted and cumulative GPA. Prior to beginning a second degree, students must appeal with the Director of Financial Aid if their hours exceed the maximum program completion time.

Southeastern considers students enrolled in the PN and ADN programs have required prerequisites, which may exceed the 150% maximum program completion time. A PN student is expected to complete the PN program within 81 credit hours (54 x 1.5). An ADN student is expected to complete the ADN program within 129 credit hours (86 x 1.5).

FINANCIAL AID ACADEMIC PROGRESS EVALUATION

Students will be evaluated for compliance with satisfactory academic progress standards at the end of each semester including fall, spring, and summer semesters, regardless of major, period of enrollment, or enrollment status (part-time, full-time, etc.) Through this evaluation, students not meeting the satisfactory academic progress standards will be placed on warning status. As stated in the policy, students on warning status are

eligible to receive financial aid. Students on warning status who failed to meet satisfactory academic progress at the time of evaluation will be placed on financial aid suspension and will not qualify for further financial aid. All students receiving financial assistance in the programs previously stated in the policy will be notified of their standing at the end of each evaluation period or semester of enrollment.

APPEAL PROCESS FOR FINANCIAL AID SUSPENSION

Students have the right to appeal suspension status to the Director of Financial Aid. Students who wish to exercise this right are required to complete a Satisfactory Academic Progress Appeal form and follow the formal documentation requirements provided by the college. Students should provide the Director of Financial Aid with specific details that fully explain the extenuating circumstance (ie. Death in the family, illness or injury to the student) cause(s) preventing the student from achieving satisfactory academic progress requirements and complete an academic plan with an academic advisor. Appeals are accepted case-by-case. If the appeal is accepted, the student's financial aid will be reinstated, along with a probationary period, whereby the director will outline specific requirements that will be used to bring the student's academic progress within standards. If the appeal is denied, students may appeal this decision to the Dean of Enrollment and Student Services. Decisions made by the dean are final.

A student who submits an appeal due to minimum cumulative completion rate and/or cumulative GPA requirements and is denied by both the director and dean must meet the minimum cumulative completion rate and/or cumulative GPA requirements as set forth in this policy and will not receive further financial assistance until minimum requirements are met. Decisions made by the dean are final.

A student who submits an appeal due to maximum hours attempted and is denied by both the director and dean will remain on permanent financial aid suspension. Neither the director nor dean will accept any further appeals.

FINANCIAL AID REINSTATEMENT

Once a student is placed on financial aid suspension, there are two options for students to continue receiving financial aid:

1. The student must meet the minimum cumulative completion rate and/or cumulative GPA requirements set forth this policy; or
2. The student must submit an appeal that is approved by the Director of Financial Aid or Dean of Enrollment and Student Services in which the student is granted financial aid probation.

REGAINING ELIGIBILITY FOR FINANCIAL AID

If, in a regularly scheduled evaluation, it is determined a student once again meets the standards outlined in this policy, the student will be placed in good standing. Otherwise, once placed on suspension status, the suspension status remains unless determined otherwise through the appeal process.

STUDENT RESPONSIBILITIES

Students should only take required courses according to their program of study and the transfer institution (if applicable). Taking courses outside of their program of study will affect the student's maximum program completion time. Withdrawing, repeating, and failing courses, including remedial courses or dual credit, will also have an adverse effect on a student's cumulative completion and cumulative GPA. Students should seek advisement from an academic advisor during their warning period to remediate deficient credits and GPA.
