ADN/RN
ACCEPTANCE REQUIREMENTS

Application files will be evaluated and acceptance will be by rank order using the following criteria for acceptance.

1. **Required 58.7 on the pre-entrance exam: The TEAS, Assessment Technologies Institute (ATI).** Applicants will be ranked, according to the TEAS V score. The top 30 will be accepted in each fall semester’s traditional program.

2. Completion of **ALL required Phase I and Phase II courses with a grade of “C” or better.** *Grade Point Average will be calculated only for Phase I and Phase II courses required for the ADN program, if there is a tie on the TEAS score.*

3. In the event that these calculations are tied an overall Grade Point Average will be calculated and used for entrance to the Nursing Program.

4. **ALL Phase I and Phase II course grades must be completed prior to start of program with a grade of “C” or better.**
   
   **A. Required Phase I and Phase II Courses:**
   1. BIOL 261 and BIOL 262 (Anatomy and Physiology I & II)
   2. Communications 121 or English 122
   3. A 3 credit hour transferable elective for the ADN program
   4. BIOL 242 (Microbiology) (This course has a pre-requisite of a C” or better in high school chemistry sequence or CHEM 123.)
   5. Health 219-Health Professions Advanced Student Skills
   6. CPR (131 or 133) – Healthcare Provider Certification. Will accept current Healthcare Provider Certification from AHA instructor. Card must be current through program ending date.

5. Submit proof of having completed an approved Practical Nursing Program for consideration into an ADN program.

Final acceptance to the program requires that all of the above criteria be met. Failure to meet any of the requirements will make the applicant ineligible for enrollment in the program. It is the student’s responsibility to ensure that all requirements have been met.
