CARES Act Grant Application

CARES Act Emergency Grant Application

Jump to page Introduction

Introduction

SUCCEED. INSPIRE. CONNECT.

SIC will be receiving money from the federal government through the CARES Act to help students in need. The purpose of this application is to understand the impact that the Covid-19 pandemic has had on our students. Completion of this application does not guarantee that you will get assistance. Please attach any supporting documentation you can so we can verify that there is need. Students must be eligible for Title IV aid from the federal Department of Education (i.e. eligible to complete the FAFSA process or complete the FAFSA application) to be eligible for an emergency grant. Students who have not qualified previously for financial aid (i.e. Pell grant, SEOG, work-study, etc.) through the FAFSA process may still be eligible for these funds. Thank you for completing this application and helping us understand the struggles of our students.
